

Following the Covid-19 pandemic and the measures taken from the Italian “Council of ministers” and the Lombardy region, the Camping Del Sole sets and confirms the date of opening to the 15th of June 2020.

In order to responsibly prepare our business to keep both our customers and staff safe, we anticipate that there is a possibility that services, usually active within the camping in “normal periods”, won’t be available for our guests.

To avoid assemblments and situations of interactions between guests, which could be difficult for the staff to handle, the sports camp, the children's playground could be closed. For the 2020 season , all activities related to the animation will be unavailable.

For security reasons, the entrance to the campsite will be forbidden to visitors, access is only for guests.

For this particular reason, Camping del Sole Village guarantees a discount of 25% to all our guests that want to stay for a minimum of 2 nights (except for ACSI, ANWB, ADAC,... and for week end offer ).
